**Application questions for 5/3/2015 sermon  
Matthew 24:3-14**

After hearing the sermon, what do you think you need to watch out for, and why?

Are you prepared for the things Christians are going to face (tribulation, violence, hate) from non-Christians, and maybe other Christians or at least those we thought were Christians? How will you respond to them? How do you think you will respond to God during that?

How do you think you could continue loving God and loving people around you during those times?

Do you feel like you are playing your part in the gospel being preached in the whole world? How so or how not so?

If not, is it because you are afraid, and how do you think you get over that?
