### Part 2

Hebrews 5:14-6:3

Christian Sanich, 4/10/2016

**Text sermon questions, during the sermon, to (602) 824-8030**

**5:14 Practicing the word of God trains us to be fit for life**

The kind of person who is maturing:

- has trained habits of learning the word of God
- has trained habits of living out the word of God

This is how we get discernment.

To be able to discern good from evil,  
is to be more fit to handle life properly.

**6:1-2 Leave the beginning, move on to maturity**

Some beginning stuff:

Conversion to Christ

Christian ceremonies

Basics of the the afterlife

That's not enough. We have to learn more and live it out.

**6:3 We may move on to maturity as God allows**

**What are you going to do with this?**

Application questions for 4/10/16 sermon

Hebrews 5:14-6:3

## **Move on to Maturity with the Word of God, part 2**

Do you really believe that God's ways of living, *communicated through His word*, are the best ways to live life? And if you are not sure of that, why are you not sure?

Do you think you have gotten complacent in your spiritual growth? Do you need to give yourself more to learning and growing again?

**(Make sure so make it to this question & the follow-up questions, and have everyone answer.)**

Do you presently have disciplined habits of learning from God's word consistently?

If not, what are you going to start, to get growing more?

Even if you have those habits, is there something else you are being moved to do, to grow more?

Where is the time and space to do those things going to come from? Is there something else in life that needs to be cut/reduced, moved, etc.?

Are you in the practice of every time you learn something from God's word you do something with it? That was referred to in this sermon as trained habits of living out the word of God. Do you need to start that?

Was there any other conviction you had from this sermon?
