The Lord Sees & Will Punish, Unless...

Hosea 5:1-15

by Christian Sanich, 2/28/2021

There may be Q&A at the end as time allows. So note your questions.

5:1-3 The leaders and the people were called out for their bad influence. They would be punished. They're not hidden from the Lord.

5:4-6 Their sinful deeds and their pride would not allow them to return to the Lord. But they wanted to be free of guilt.

5:7 They may have thought they were sneaking around behind the Lord's back with their sins, but the Lord sees, and would punish them.

5:8-11 Watch out, for the influence of the ungodly culture around you. Watch out for the wicked political environment.

5:12-14 The Lord would destroy their worldly comfort. The Lord would punish them, utilizing Assyria, the very people they were looking to for protection.

5:15 The Lord would withdraw from them, until, because of their affliction, they acknowledge their guilt and seek the Lord.

What is your response to this? Discuss it with someone today.
